W. K. George, Esq.,

Toronto.

Dear Mr. George:

You are, I understand, Convener of the Committee of the Board of Governors which was appointed to co-operate with Committees already existing for helping to raise funds for the University Hospital. At the meeting of the Senate on Friday night I got their endorsement^e of the proposal that they should appoint two of the members of the Senate to act with your Committee. The gentlemen who were appointed to act are Mr. Angus MacMurchy and Mr. R. H. Macpherson. I shall be glad to talk with you about the matter at any time in view of ~~active~~ steps being taken to secure more funds.

With kind regards, I am,

Yours sincerely,

President.
